On November 1, 2020, at approximately 1800 hours, the suspect was discovered inside the rear warehouse area of the Ralphs Grocery Store located at 16940 Devonshire Street. The store manager approached the suspect and directed him to leave the area. After initially complying, the manager discovered the suspect had again entered a restricted area of the store. As the manager began to escort the suspect to an exit, the suspect removed a handgun from his front waistband and pointed it at him. The suspect then fled toward the rear of the store, as the manager called 911. Devonshire officers responded to the scene and observed the suspect standing on top of a food shelf aisle near the front of the market. The officers verbalized with the suspect for several minutes in an attempt to get him to surrender. Without notice, the suspect jumped down from the shelf and ran toward the rear of the market while holding a handgun in his right hand. The suspect then fired at an officer, resulting in an OIS.

The suspect ultimately ran out of the Ralphs via a rear exit and fled west across Balboa Boulevard to the AM/PM Mini Market, located at 17000 Devonshire Street. Once inside, the suspect held the store clerk at gunpoint while drinking a beer from one of the refrigerated display cases. The suspect ultimately surrendered and was taken into custody without incident. A semiautomatic handgun was recovered from inside the AM/PM Mini Market.

One officer sustained a wound to his left forearm and was transported to Northridge Hospital, where he received several stitches. The cause of the officer's wound has yet to be determined.

The suspect was not injured during the incident.

Force Investigation Division detectives responded to the scene and are investigating this incident.
